HOW IRON STARVATION OF THE BLOOD RUINS A WOMAN'S HEALTH

AND MAY MAKE HER WRINKLED, AGED AND CAREWORN, GIVING HER FACE A PALE, HAGGARD, SICKLY APPEARANCE

For want of iron you may practically be an old woman at 30 to 35, weak, downhearted and "all ragged out." You may be in such a highly nervous irritable state that you "go all to pieces" on the slightest provocation, while at 30 or 35 you may have health and plenty of iron in your blood, you may still be young in feeling and so attractive and full of life as to defy detection of your real age.

It's not always the youngest woman that is most sought after—there is an indescribable alluring fascination in the "rosy cheeks," the inviting lips and sparkling eyes of a blood filled with iron. You may be afflicted with iron starvation of the blood and not know it, just as thousands of other women are.

It is said that about one person in three in America today suffers more or less from malnutrition—lack of nourishment, which is caused not by lack of food, but in many cases, by lack of sufficient iron in the blood. You get the strength and nourishment out of your food, indoor life, over-exertion and modern methods of cooking are sapping the iron from the blood of hundreds of thousands of women. Our forefathers, to whom history refers as a nation of red blooded Americans, ate the hocks of grain and the skins and seeds of vegetables and other

JAN SMUTS MAY BRING PEACE TO PEOPLE OF ERIN

South African Premier Confers With Sinn Fein Leaders

ARMISTICE NOT DECLARED

Soldiers Search Pedestrians In Dublin—Some Ambushes Reported Wednesday

London, July 6.—General Smuts, South African premier, upon his return from Ireland today conferred with Lloyd George, Sir James Craig, the Ulster Premier and Earl Middleton, southern unionist leader. General Smuts reported the results of his talks with the Sinn Fein leaders on the Irish situation. The conference was surrounded with the greatest secrecy, but it is understood to have primarily concerned itself with the conditions for a possible suspension of hostilities in Ireland.

No Armistice Yet.

Dublin, July 6.—Negotiations under way for peace in Ireland have not yet brought about an armistice. Today soldiers were searching pedestrians, believed likely to be carrying concealed weapons, in the streets of Dublin. A police patrol ambushed in Camolin, County Wexford, last night. Four constables were wounded. Other ambushes occurred in Corrofin, County Clare and Thomastown, County Kilkenny without casualties.

CONSUELO VANDERBILT MARRIES COL. BALSAN

Relinquishes Title of Duchess For a Second Venture in Matrimony.

London, July 6.—Relinquishing the title of duchess, which was hers for so many years, Consuelo Vanderbilt freed but a few weeks from her former husband, the Duke of Marlborough, was married Monday to Col. Louis Jacques Balsan of the French army.

As is customary in French marriages, there were two ceremonies. The civil wedding took place at the Henrietta Street Registry Office at 3.30 o'clock in the morning—an early hour, at which the bride had hoped to avoid representatives of the press.

At this ceremony Ambassador Harvey was a witness and signed the registry. Others present were Sir Charles Russell, Lord Iver, Spencer Churchill, Cornelius Vanderbilt A. F. A. Godle and the Marquis of Blandford, son of the duchess.

The religious ceremony took place at the Savoy, one of the royal chapels of London, immediately after the civil ceremony. The Rev. Hugh Chapman officiated and felicitated the couple warmly at its conclusion. Col. and Mme. Balsan then left for France, where they will spend their honeymoon.

Consuelo gave her age as 44 and which happens to be that of her son. She registered as a divorcee and gave her father's profession as "of independent means."

Col. Balsan's age is 52. He registered as a lieutenant colonel in the French army and gave his address as 4 Buckingham Street.

Both have been divorced. Col. Balsan from Alice Dexters Balsan, who has since married. It will be recalled that the duke of Marlborough only recently married Miss Gladys Deacon of Boston, once a close friend of the former duchess.

HUNTING HIS ANCESTORS

Iowa Man Believes He Has Relatives in This Vicinity

Mr. Davis knows that his grandfather's name was James and that he was born in Wales.

If there are any descendants of Charles B. Davis living in this vicinity the Iowa man would appreciate a brief letter of information.

SENATE TURNS DOWN LODGE'S RECESS PLANS

Congress May Remain in Session Through to December 5

THE VOTE STANDS 28 TO 24

Twelve Democrats Join With Republicans to Prolong Extra Session

Washington, D. C., July 6.—Congress yesterday served notice of its determination to go much further with its legislative program during the present session than had been contemplated by President Harding and his leaders.

The notice came from the senate where the members, mopping their brows under one of the hottest suns Washington has had this summer, turned down the proposal of Senator Lodge, the Republican leader, that a recess be taken from July 7 to July 23. The proposal had the endorsement of Senator Underwood, the Democratic leader. The vote was 28 nays to 24 yeas.

The rejection of the leader's plan for a recess of the senate makes it virtually certain the extra session will last almost to and perhaps merge with the regular session, which under the law will start December 5. This opinion was ventured by Senator Lodge, after the defeat of his resolution and concurred in by house leader Mondell, who said there was no prospect for a recess.

Sixteen Republicans and twelve Democrats voted against the recess, while nineteen Republicans and five Democrats voted for it.

SAYS DEMOCRATS MUST SCRAP NATIONS' LEAGUE

Senator From Bay State Outlines Policy of Party at July Fourth Meet in New York

New York, July 4.—Senator Walsh (Dem.) of Massachusetts, speaking today at Tammany Hall's Independence Day celebration, outlined the course which he believed should be pursued by the Democratic party.

Blaming the Democratic defeat in the last campaign on injection of a foreign issue, Senator Walsh declared that "the League of Nations, rejected by the American people by an amazing preponderance of votes, should find no harbor in the rejuvenated Democratic party."

"These are the tasks of the Democratic party," he said, "to restore individual liberties of expression and action, to oppose the growing tendency to curb individual liberty, to insure to every man his inalienable right of life and happiness, to fight savagely against the forces assailing the fundamental conception of our constitution; to insist upon Americanism before internationalism; to reach brotherhood and destroy political and economic oppression at home; to defend against unrestricted capitalism and unbridled radicalism and to recommit the forms of democratic institutions to their original state."

Senator Walsh proposed that the party take as its slogan "no extortion of the people by big business" in contrast with the Republican campaign cry of less government in business.

GIRL IS SHOT

Brothers Say Killing Was Result of Accident.

Montgomery Center July 6.—Gerald and Donald Kennette, the 12 and nine-year-old sons of Mr. and Mrs. Homer Kennette, for whom search had been made in the nearby woods following the parents' discovery Sunday afternoon of the dead body of the boys' 11-year-old sister, Doris, emerged from the woods Monday morning near a neighbor's. Search had been made for them at a greater distance from the point where the boys came out.

Deputy Sheriff C. H. Domina took the boys to the Franklin county jail at St. Albans. An inquest will be held here by State's Attorney M. H. Alexander of St. Albans. An autopsy was performed on the body of the little girl, who had been shot through the heart.

Though no definite information can be secured regarding the story told by the two young boys, it is understood that they maintain the shooting was an accident and that the older boy was handling the gun. Panic-stricken, they ran away, they are understood to have told the authorities.

VACATION BIBLE SCHOOL OPENS THIS MORNING

Local Teachers and Clergymen Have Charge of Course During Month of July

The daily vacation Bible school opens at the Y. M. C. A. Wednesday morning at 9 o'clock continuing through the month of July. Rev. W. G. Toward is superintendent of the school assisted by Rev. J. E. Perry, Mrs. W. G. Toward, Miss Ruth Harris, Miss Jeanette Perkins, Miss Thelma Jolivet and Miss Gladys Fahey who will act as teachers in the various departments. Mrs. James Martin and Miss Orisa Parker will conduct the musical program. Some very interesting hand work will be turned out by the children and an interesting and helpful month is in store. The entire building is placed at the disposal of the Bible classes during the forenoon. The following schedule will be carried out: 9:30 to 9:45, devotional service; 9:45 to 10:15, music and catechisms; 10:15 to 10:45, Bible study and memory work; 10:45 to 11:30 handcraft.

Last Friday a delightful supper was served by Mrs. James Martin and her assistants to a new contingent of soldiers from New York City who are guests of Camp Bennington. Mr. Martin not only provided fine things to eat but decorations of flowers helped to make the Y. M. C. A. for the fellows. Twenty couples were laid. Miss Lois Estes conducted a musical program into which the fellows entered with fine spirit. Mrs. Richard Atwell with several ladies acted as hostesses. The lobby was filled with fellows to welcome them and a committee from the Y. M. C. A. in an able manner, Rev. W. G. Toward said Grace for the meal. The entire affair was in the hands of Mr. Chase.

July 4 as a part of the Y program 18 soldiers from the Soldiers Home were conveyed in automobiles furnished by Messrs. Colgate and Bradford to Camp Bennington for the a. t. noon and early evening. Supper of all kinds of good things was served amid much talking and laughing and comparing experiences. A photograph was taken of the group in which mingled the boys of Cold Harbor, Wilderness and Cedar Creek with those of Verdun, Toul and Argonne. Worries were forgotten under the pines and carps and pain vanished in the smoke of many cigars at the close of the meal. When the boys left camp they were accompanied by their cheerleaders and the home ward trip closed a happy day.

Last week H. W. Winslow and E. E. Chase spent a day on the Mohawk Trail, hiking on foot, by truck and "Cadillac." It was a fine day and trip. The return from Greenfield was made by train.

Earl E. Chase left Sunday for Camp Abnaki to do some special summer work with Mr. Clark. He will act as Camp leader and will have charge of the music.

Harold Murray, who has given such efficient help during the season as a volunteer leader, left by way of Burlington Monday for Lake George where he has a position as violinist.

One feature the Y provides for Camp Bennington is a free shower bath whenever the soldiers ask for it. This feature has been greatly enjoyed and will be extended to them during their stay at camp. They have free access to any activity the building possesses including pool, letter writing, etc.

An attractive feature at the Y during these summer weeks has been the beautiful flowers furnished under the committee of Mrs. Elmer Gaskel by the good women of the town. They are much appreciated.

The Straight College quartette, who will sing tonight at the Baptist church, will be guests of the Y during their stay in town. On the evening of July 9 the boys will give a free concert in the Y lobby. Stories of Southland, plantation melodies and folk songs will be enjoyed by all who wish to come. There is no price of admission.

DEMPSEY EVADES REFORM LEADERS AT JERSEY CITY

Champion Sidesteps Warrant and Departs for Salt Lake Home

MAY IMPEACH GOVERNOR

Plan Criminal Proceedings Against Officials Who Attended Saturday's Battle

Jersey City, July 6.—Unless Jack Dempsey appears in the court of general sessions some time today, or John Milton, corporation counsel for Jersey City, can convince the International Reform Bureau that Dempsey is on his way across the Hudson, Herbert Clark Gilson, attorney for the bureau, purposes obtaining a set of warrants that, he predicts, will result in the arrest and arraignment of some of the highest officials in Jersey City as well as in the state of New Jersey.

This was Mr. Gilson's warning uttered this morning in reply to Mr. Milton's failure to produce Dempsey in court yesterday in compliance with Mr. Gilson's demand. Neither Mr. Gilson nor Wilbur F. Crafts, superintendent of the bureau, made public the names of those officials whose arrest they will seek to accomplish. They explained that charges of violating the prize fight section of the state act of the state would be made against these dignitaries. They contend that everybody witnessing the combat between Dempsey and Carpentier was guilty of a misdemeanor under this particular law.

At Dempsey's hotel last night it was said that the prize fighter had left earlier in the evening and had boarded a train bound for Salt Lake City, Utah.

Both Mr. Crafts and Mr. Gilson were more or less effusive concerning particulars of their plans. However, it was not difficult to learn that they hope to bring about Dempsey's arrest, whether he appears or not. They intend obtaining a warrant for his arrest, serve it upon him and start extradition proceedings. Some hint of Mr. Crafts' intent is contained in this statement to reporters yesterday.

Even Gov. Edwards can be arrested and punished—yes, and impeached—for malfeasance in office. This malfeasance would be his refusal to prevent the fight. He may be punished for watching the brutal spectacle. Everybody within the arena can be. We have a complete list of the names of those public officials who attended. We shall make that list public. We intend starting criminal proceedings at once."

While in the town the visitors will be guests of the "Y."

D. W. McCLELLAND BECOMES SCHOOL SUPERINTENDENT

Trustees of Vermont State Library

WALTER WOOD ADVANCED

Former Principal of Junior High School to Be High School Principal

The organization of the board of trustees of the Bennington Graded School District remains the same as it was last year. A special meeting of the board was held last night at which all the members were present. C. S. Perry was re-elected president and Homer H. Webster was re-elected secretary. Mr. Perry has not yet announced the various committees for the coming year.

It was voted to give up the plan of having a supervising principal. D. W. McClelland, who has been supervising principal, becomes superintendent of the village schools. Walter C. Wood, formerly principal of the Junior High school, becomes principal of the Senior High school. The salaries of both remain the same as was printed in the annual report. It is expected that Leon A. Orr, who has already been engaged as teacher of manual training will become principal of the Junior High school.

It is understood that the trustees were entirely satisfied with the supervising principalship, but that the change was made as a result of a ruling of the State Board of Education. That body recently sent letters to the six or eight towns having supervising principals directing them to abandon the arrangement and make plans to re-enter supervisory districts of three or more towns. Bennington alone of the towns affected has enough schools to enable it to take advantage of the law which permits the larger places to employ their own superintendents and receive state aid therefor. The trustees have decided to act under this law rather than to return to the supervisory district of which the village was a member previous to July 1919.

This step changes the duties of some members of the staff but does not affect their number. It is expected to result in a slight increase in the amount of state aid which the school district will receive.

ALLEN A SALESMAN DUE HERE TOMORROW

Twenty-Third Annual Convention to Be Held at Company's Underwear Mill on Scott Street

Allen A. company salesmen and officials to the number of 75 are now on their way to Bennington for the 23d annual convention which will be held at the company's hosiery mill in this village tomorrow and Friday.

The salesmen with western territory or whose homes are west of Chicago gathered in that city yesterday and left there at 5 o'clock last evening. They will arrive at Williamstown and put up at Greylock Inn late this afternoon.

While the salesmen will be quartered at Greylock, all of the meetings will be held at the mill office on Scott street. Thursday and Friday mornings the salesmen will come to Bennington in special trolley cars chartered for the purpose and return in the same manner late in the afternoon. There will be two addresses Friday forenoon and in the afternoon C. C. Parlin of the Curtis Publishing company will speak on advertising. The convention will close with the annual banquet, held this year at Greylock Inn.

The best and artistic programs for the convention have been received at the mill and they contain, in addition to the routine business, brief sketches of history Bennington and of Williamstown.

THEBERGE-McGUIRE

Quiet Wedding Solemnized at Sacred Heart Church Sunday

A quiet wedding was solemnized at the Sacred Heart church Sunday, July 3, when Miss Margaret McGuire, daughter of Mr. and Mrs. Charles McGuire of Morgan street became the bride of Arthur Theberge of Dewey street. The ceremony was performed by Rev. C. E. Prevost. The couple were attended by Miss Jane McGuire and Thomas McGuire, sister and brother of the bride.

Immediately after the ceremony the couple left for Springfield and Boston, where they will spend their wedding trip. Upon their return they will reside on Morgan street.

Mr. and Mrs. Theberge are both well-known in this village and have a host of friends who will extend congratulations. Their presents, which included linen silver and money, were numerous and beautiful.
